What's a *LISTEN UP!* Bible Study, and why is it unique?

God's word is alive. God will always have something new to say to us. That's why the purpose of the *LISTEN UP!* Bible Study series is not simply learning information about the Bible. It is hearing God speak. There is a difference. In these Bible studies, you will be encouraged to listen: listen to the Bible, listen to your own questions and responses, and listen to the honest sharing among participants in your study group. Trusting in the power of the Holy Spirit, we believe that in that mix of biblical text, personal engagement, and honest speaking and listening, God's word may be heard, speaking words of challenge and words of comfort. A Leader's Guide is included in each workbook.

The *LISTEN UP!* Starter Kit includes one copy of each of the following 16 titles (studies may be purchased individually as well):
