## **Keeping the Faith: Sisters of the Story** by Rohina Malik

**AT THE CAPITOL CENTER FOR THE ARTS IN CONCORD, NH**  
*A critically acclaimed three-women performance*

Rohina Malik, a Muslim woman and storyteller, returns to the CCA stage with a production that demonstrates the peace and commonalities between us all. Three women: a Muslim, a Jew and a Christian each share 3 stories from their faith journey to help us come together around our commonalities and decide who we are going to be as a community and as a nation and how we are going to allow *our story* to be told.
