

New Life Thrift Shop
35 Gould Street
Henniker, NH

In 2010, the Henniker Congregation Church purchased the property directly behind their sanctuary, and in April of that year opened the New Life Thrift Shop which is now open five days a week. It is staffed entirely by volunteers who take in furniture, clothing, dishware, pots and pans, small appliances, seasonal decorations, books, curtains, and “you name it, we got it”! It almost seems laughable that one of the points of discussion when they were setting it up back then was “What will we do once we have sold everything that is brought in?” That day will apparently never come, as they are thriving seven years later.

In the past few years, New Life Thrift Shop has spawned a re-opening of Brookside Congregational Church’s thrift shop, plus has outfitted and provided the initial inventory for the Wilton thrift shop as well. They also support area needs, Epilepsy Foundation, the Heart program, the women’s prison in Goffstown, and occasionally have outfitted women going back into the work force with professional clothing required by their new employers.
