**Instead of our usual meeting agenda, we will be participating in the
Installation of Designated Pastor, Rev. Rebecca Werner Maccini**

The Prodigals, a sacred jazz band, will lead worship. This event will emphasize the covenant between the churches in the Merrimack Association.

There will be a time of sharing from each of the churches.

Please come ready to share based on the following questions:

- What do you do that other congregations could learn from you?
- People love to tell stories when something is emerging or going on. What in your congregation is generating a story?
- What is happening in your church that is most fully and vibrantly the body of Christ?

**The Congregational Christian Church of Franklin invites all to join them
for refreshments following the installation.**

We are grateful for your hospitality!

Directions –

The church is on Rte. 3, just west of the Pemigewasset River in West Franklin, just south of Central St. which goes through downtown Franklin and connects with downtown Tilton.
