

Confession of Faith

We believe that God is a spirit, and they that worship him must worship him in spirit and in truth.

We believe that God has made of one blood all nations of people to swell on the face of the whole earth.

We believe that God is love, and everyone who loves is born of God and knows God.

We believe that Jesus is the Son of God, and as many as are led by the spirit of God, they are the children of God.

We believe that Jesus Christ is the way, the truth, and the life.

We believe that if we walk in the light, as he is in the light, we have fellowship one with another.

We believe that if we confess our sins, God is faithful and just to forgive us our sins.

We believe that the world passes away, but the one who does the will of God lives forever. Amen.

Pastoral Search 2016

Welcome Home

Our Church vision is to provide a solid, growing and exciting place to worship and pray as a Christian community. We have a broad and diverse congregation both in terms of its focus and membership.

Community at Large

Milton is a growing community of about 4,500, which increases to near 5,000 in the summer months due to the 3 major bodies of water known as the "Milton 3 Ponds." The median age is 38 with a racial makeup of 97% white. Milton does have several small- to medium-sized businesses, but most residents travel south for employment.

Milton is governed by a Board of Selectmen, along with many various town boards and committees. The town has its own full-time Police Department and Fire Department. Milton's own Elementary School serves K-5 with roughly 250 students, and Nute Jr/Sr High School has roughly 300 students.

"Preaches with engaging, real life stories
that can be scripture based.
Involved in community, seen in town
at events and activities.
Excited to take leadership role."

From CCM Pastor Search Survey

Looking for You

We are seeking a part-time or bi-vocational pastor who has a strong sense of community outreach and involvement. Our pastor should be compassionate and willing to become an active member of our church family and our community.

Personal visitation to the sick and shut-ins has always been important and will be an expectation of our new minister.

The role of our pastor is to provide spiritual oversight and direction to church leaders and the congregation. In cooperation with the Deacons, the pastor will lead Sunday morning worship, disciple, evangelize, lead in the sacraments and counsel those in need.

Key Offerings

The compensation package will be composed of salary and benefits including housing (parsonage or allowance), health insurance, continuing education, work-related travel and paid vacation.

Key Offerings Continued...

It is our intention to be flexible within our budget and to consider the experience, skills and accomplishments of the Pastor.

The total salary package is around \$40,000.

Key Challenges

We see the greatest need as connecting our church members with the local community so that effective evangelism can bring new people to faith. This will involve growth in personal discipleship and in small group activities to encourage it.

We have begun to attract young families from the community, and as we plan for the future of the church, we need to meet their needs in new and inspirational ways.

As a result of a fervent desire to see growth, both spiritually and numerically within the church, we have wanted a more user-friendly environment for those within the church and wider community. The recent building addition has enabled the church to host a number of conferences and events.
