

Ninety years ago, in a small town in New Hampshire, three churches merged out of necessity and forged a foundation, embarking on a long journey. Our Star Ship Enterprise was no fantasy, but a living group of searchers, seeking comfort and grace. Now we are embarked on a brave new adventure of faith as we live into the 21st century in one time and place. What is church today? How do we honor our traditions? Who is our neighbor? What is Jesus calling us to do? Our traditions are in the United Church of Christ, the United Methodist Church and the Unitarian Universalist Association. Our adventure is seeking the kingdom of God in ourselves and one another, with Jesus our brother. Come and help us answer the questions.

Volunteers drive Marlborough folks to medical, dental appointments, shopping, hair appointments. Give us a call if you need a ride.

Young people do service projects in the community and around the church grounds.

Church members participate in serving food to our homeless neighbors in the 104 Meals Program in nearby Keene.

Community connections include backpacks for local school kids, Thanksgiving and Christmas baskets, weekend and school vacation lunches, community Easter Egg hunt.

We share our church home with NA and Girl Scouts.

Marlboroughites enjoy our Spring Fling family celebration - entertainment, crafts, food, bounce house.

Sharing our church building for concerts brings the sound of joy to town.

**Marlborough’s Food Pantry.** We operate the Food Pantry, in collaboration with the NH Food Bank. There is no means test to shop at our pantry which includes packaged foods, dry goods like diapers, meat and milk. In January 2018, we initiated a weekend food program for school children, called “Kidz Cupboard.”

**Open to changing times.** A few members and friends are exploring new ways to worship, in addition to our Sunday morning service. We are also experimenting with a ministry-based governance system.

**The Community House** is the town’s civic center, a multi-purpose facility which we rent at low or no cost to a variety of organizations and individuals. Originally the site of the Methodist Church, the Community House is now home to two community theater groups and host to Friendly Meals, Age in Motion (senior exercise program), a toddler’s group, wedding and funeral receptions, the town polling place, and much more.
