Donations To Charitable Organizations Outside the NH Conference UCC

This includes local and regional civic charities; NH and national religious charities such as Church World Service; UCC seminaries; and UCC Partners in Service such as Back Bay Mission and Charles Hall Youth Services. Although the Conference can and does forward such donations, it may delay the money more than a month. We encourage churches to send the money directly to the desired charity. A direct contribution means the money will be put to work sooner, and your church will receive proper recognition from the supported charity. Contact the Conference finance office with any questions regarding this policy and for help finding the addresses of charitable organizations.
