

New Hampshire Conference United Church of Christ

April 11, 2018

Dear Friends

“In a bulb there is a flower,” starts the hymn by Natalie Sleeth that many of us sing in church. Her words of anticipation and images of waking up to new life are so fitting both for the Easter season and for the season of renewal we are witnessing in the New Hampshire Conference!

There are so many ways that we see renewal happening in the New Hampshire Conference.

We saw energy and growth in the stories and ideas shared at “Prepared to Serve,” which gathered five hundred of us from all around the state.

Our ministries, mission groups, and Board of Directors are sowing seeds of renewal as they work for peace and justice, provide care for our churches and ministers, and reach out to those in need.

Search committees, both in local churches and for a new Conference Minister, are finding leaders who will help us make an uplifting, inspired, and wide-reaching impact in our communities.

To help us sustain all of this life-giving work, I invite you to make a monetary gift to the “Friends of the New Hampshire Conference.” Your donation will make a positive difference to lives not only in New Hampshire, but across the United States and around the globe.

You can either write a check to “New Hampshire Conference” or go online to the Conference website (www.nhcucc.org) and donate online. Either way, you are helping us to make a difference through the power of God’s love to transform our world!

Thank you for being a Friend of the Conference!

With blessings to you and yours,
