

# United Campus Ministries of New Hampshire

*Where Everyone is Welcome & Everyone is Loved*

## We are United Campus Ministry.

We believe college can be a wondrous time of exploration, service and spiritual growth in a nurturing community. We work to provide that community by practicing **Radical Hospitality** – all faiths, ages, races, cultures, sexual identities and abilities.

And the love we show is returned a hundredfold upon a broken world because **UCM students are healers, change agents and social justice champions!**

**UCM needs the United Church of Christ.**

**On May 15<sup>th</sup>, will you Commit to Caring on Campus?**

Please give generously to this special offering benefiting both New Hampshire's United Campus Ministries.

## What is Campus Ministry?

It's lots of **community service** projects, free and open meals, fellowship and fun. But it's also **one-on-one support** and counseling.

Our programming is constantly changing to meet needs, but it always aims to bring people together and get them talking about important things. From *Queering the Spirit* to *Theology on Tap*, we meet students where they are and **encourage them to grow!**

***"I recommend UCM to anyone trying to become more self aware, culturally diverse or spiritually connected."***

**-- Adam Guy, PSU '17**

# United Campus Ministry to the University of New Hampshire

The **Waysmeet Center** is the hub of UCM at UNH: Where all paths converge, all journeys connect, all ways meet.

It is a gathering place for the entire campus and seacoast community, but it also houses the **Cornucopia Food Pantry**, which feeds over 6,000 people annually, and an **intentional residential community** where 8 students live in covenant with each other. UCM has been a force for social justice in Durham for over 60 years.

***"Waysmeet is a sanctuary for all. It is a vibrant, loving, ever-evolving place of community where food, laughter and friendship are always found."*** -- Caroline Robb '14

## United Campus Ministry at Plymouth State University

Founded in 1973, UCM@PSU is housed in the **Reflection & Spiritual Care Center** and partners with many campus groups to care for students holistically. It collaborates with Catholic Campus Ministry annually to deliver **200 Thanksgiving baskets** to area needy.

UCM works to build a campus **culture of kindness**, supporting all in their pursuit of authentic self.

**Sunday, May 15<sup>th</sup>: Commit to Caring on Campus**
