

The Congregational Baptist Church of Chester, NH, United Church of Christ and American Baptist Churches, is seeking an enthusiastic and qualified organist/pianist/choir director to lead our small but capable adult choir in its vital music ministry. We treasure our restored Woodberry and Harris tracker-action, 8 rank organ. This part time position involves playing at one traditional Sunday morning service. The service is at 10:00 AM year round. The position also requires choosing appropriate music for and accompanying and directing the small, amateur, but enthusiastic choir from the organ or piano (as required) from mid-September to mid-June. Choir rehearsal is currently on Thursday evenings at 7:00 PM, although this is flexible. Some additional services are required throughout the year (e.g. Maundy Thursday and Christmas Eve) as determined by the ministerial staff. Salary is negotiable based on experience.

A flexible, once per month, position is also an option and would not include choir direction.
